MEMORANDUM FOR: Mr. Andrew W. Marshall
Director, Net Assessment
Office of the Secretary of Defense

SUBJECT : Response to Questions Concerning
Soviet Management of Offensive
Strategic Missile Production:
A Case Study

25X1 1. Thank you for your comments on the missile production study. With regard to the areas of future analysis you mentioned, we are continuing to analyze [] the weapons acquisition process. As we proceed with this research, we will keep the questions you raised in mind, and will keep you advised as to our progress.

25X1 2. The Production Working Group of GMAIC has published a paper entitled "SS-X-16" [] (November 1973) which may be of interest to you. It draws on the same information used in writing the [] case study but is primarily oriented toward the characteristics and [] of the missile rather than []
